## **Dennis Sullivan Named Chairman and CEO of Nolan**

**Hartford, Connecticut – February 19, 2010:** The Robert E. Nolan Company, a management consulting firm specializing in insurance and health care, announced today that Dennis Sullivan has been named Chairman and CEO. Dennis holds a masters degree in business from the University of Rhode Island and has been with Nolan for 28 years. He has been instrumental in expanding Nolan’s services to the insurance and health payer industries. “Dennis has played a vital role in evolving our services to meet the changing needs of our clients, and we are fortunate to have him leading our firm,” said Nolan executive director Ben DiSylvester.

With this appointment, Dennis will expand his leadership of the firm’s strategic growth initiatives. Dennis will continue to manage key industry relationships as well as continue as Nolan’s walking encyclopedia of sports knowledge and analogies. “I am honored to lead a firm with a 36-year success record including such accomplished professionals. This will be both rewarding and fun,” said Dennis Sullivan upon accepting his new appointment.
